**Fund for Research, Interpretation and Education**

Your tax-deductible contribution to the Madeline Island Museum allows us to conduct research on our collections and the history of Madeline Island, the Apostle Islands and Lake Superior. Using our research findings, we are able to plan and present a wide variety of public programming celebrating the island's rich history.

As a Friend, you are entitled to free admission to the museum, a 10% discount on all purchases from our museum store, and special invitations to summer events.
