

Friends of the Madeline Island Museum
Fund for Research, Interpretation and Education

Each year since 1958, lovers of Madeline Island have supported the museum through generous gifts in memory or honor of friends and family. These tax-deductible contributions allow us to research, plan, design, and present all kinds of public programs, from special exhibits to special weekend events. Revenue from the Casper Endowment only supports the administration of the museum, maintenance of the buildings, and the care of our collections. Your annual gift is critical because it is the primary means of support for our public programming efforts.

As a Friend, you are entitled to a 10% discount on all purchases from our museum store and special invitations to annual summer events like Friends Recognition Night and "Connecting Cultures" fur trade event.

Show your commitment to the **Madeline Island Museum** by making a contribution to our Fund for Research, Interpretation and Education. Contributions in excess of \$25 are fully tax deductible to the extent allowed by law.
